- present a wide variety of music reflecting our community and its demographics.
- broadcast local news services

We are a non-political, non-sectarian volunteer organisation.

OUR FORMAT

Our twenty four hour format is one of pleasant music, community information and local interviews.

We also present specialist music, local sporting and community programs.

OUR HISTORY

Formed in 1974, the station transmitted test broadcasts until a licence was granted in late 1990. Full time broadcasts began on 23 February, 1991.

OUR LOCATION

Our studios are part of the Wyreena Homestead complex, Hull Road, Croydon 3136.

We also broadcast from mobile facilities at various local and community events.

OUR PRESENTERS AND THEIR MUSIC

All Radio Eastern Presenters and support staff are volunteers.

Although the station has access to various musical sources, our Presenters usually prepare their programs from their private collections. This ensures a wide variety of popular music is presented.

Our easy listening format is complemented by specialist programs in jazz, country, classical and show tunes.

EQUIPMENT

Radio Eastern uses modern equipment ensuring you receive our high quality signal in the best condition.

- Our transmitter is a nominal 200 watts FM broadcast from a high peak in Melbourne's outer east.

All our broadcasts are in full frequency stereo, except for a few specialist mono nostalgia programs.

EMERGENCY BROADCASTER

Radio Eastern is an official Emergency Broadcaster. We communicate vital information in the event of local bushfires, floods and major emergencies. To do so we must meet the high standards set by the Emergency Broadcasting Authority.

COMMUNITY ENGAGEMENT

We are proud of our services and commitment to our local community.

We provide extensive opportunities for local non-profit organisations to promote their events, meetings and services. This is done through on air Community Service Announcements, interviews and special segments.

Our Outside Broadcasts are usually from local Festivals and major events.

We provide all year local sporting coverage through various programs,

Speaking engagements with local community groups are also undertaken.
